INFORMATION DISCLOSURE STATEMENT

The Applicant(s) and the Attorney who signs below on the bases of the information supplied by the inventor and the information in the pertinent files, submit herewith patents, publications or other information of which they are aware, which may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 C.F.R. §1.56.

While the information submitted in this Information Disclosure Statement may be material pursuant to 37 C.F.R. §1.56, it is not intended to constitute an admission that any patent, publication or other information referred to herein is prior art for the above referenced application unless specifically designated as such.

In accordance with 37 C.F.R. §1.97, this Information Disclosure Statement is not to be construed as a representation that a search has been made or that no other possibly material information as defined under 37 C.F.R. §1.56(a) exists.

The Examiner's attention is called to the following co-pending applications describing technology that may be related to the technology claimed in the above referenced application.

Applicants certify that all references submitted with this Information Disclosure Statement were cited in a communication from a foreign patent office dated September 24, 2004, which communication is enclosed.

The patents, publications or other information submitted herewith are set forth on the attached Form PTO/SB/08A.

Respectfully submitted,

Tenley R. Krueger
